SLCGP Grant Application Process Awareness for State, Local and Tribal

What you should Know, Share and Do

Know This!

The State and Local Cybersecurity Grant Program (SLCGP) is now open! The program is eligible for government agencies, which include counties, municipalities, local public authorities, school districts, special districts, intrastate districts, councils of government, regional or interstate government entities, agencies or instrumentalities of a local government, authorized tribal governments and organizations, rural communities, unincorporated towns or villages, and other public entities.

There is opportunity to receive federal funds by applying for the SLCGP Grant by August 15, 2024.

For Cycle1 funding upon application approval funds will be allocated to implement Multifactor Authentication (MFA) and/or Managed End Point Detection and Response (MDR) solutions. The 10% State matching requirement is waived for Cycle 1.
